Registration Cancellation Insurance (non-mandatory)

Loudoun Elite Volleyball suggests that families consider purchasing Registration Cancellation insurance, a third-party company that partners with SportsEngine in the event of a needed refund (please see the conditions for a player to qualify for a refund).

The insurance contract is made directly between the player/family and Registration Cancellation Insurance, and Loudoun Elite Volleyball is not involved in any way.

All communications regarding Registration Cancellation insurance should be conducted directly between the claimant and the insurance company.

Registration Cancellation insurance is only available when the season fee payment is made online with a credit card (not available when the season fee is paid with a check).
